### This Month's Charity Partner

The CASA Program is an innovative program which has received national recognition for its advocacy efforts on behalf of children. Utilizing the National CASA/GAL Association for Children guidelines, the CASA Program recruits, screens, trains and supervises volunteers from the local community to serve as advocates for children involved in Dependency Court. The CASA volunteer serves as the children's voice in Court. Since its inception, the CASA Program has shifted its focus to primarily representing the best interest of abused and neglected children involved in the child welfare system.
